## **Parent Notes**

- \* While things are going well with the student gatherings, and students are having a great time when they meet. The parent to student ratio is very high, and we could use some more adult volunteers. Also, especially for parents of younger students, please help remind the students that the middle youth room is not a gymnasium, and therefore not a place to run around and act crazy before and after services. We want to encourage the students to have fun, while at the same time not chasing away the students who like to chill and talk, rather than to run around and be loud.**
- \* Youth gatherings end at 12:05 on Sunday Mornings and 8:00 sharp on Wednesday nights. Please be respectful of the other adults and pick up your student on time. Also, for safety and respect reasons, we can't have students running around through the church or outside the church while waiting on their parents (even if you have choir practice). Please help us in honoring the church and keeping your child safe.**
- \* Stephanie and I love and pray for your children. While we, and our ministry team, our doing our best to provide a solid atmosphere for them to learn about Christ and how to live out their faith, the biggest interaction and influence they will have is in their relationship with their parents. If we can do something to help you in this process, let me know.**

**Love,  
Pastor Levi Lunsford**
